Preparing for PSLE

Preparation – Tips for **Students**

- Prioritize your studies and **allocate time for revision** regularly.
- **Practise effective time management** to make the most of your study sessions.
- **Reach out** to your teachers if you need clarification.
- **Stay focused** and maintain a **positive mindset**.

Preparation – Tips for **Parents**

- Encourage a **healthy balance** between study and leisure activities.
- Create a **conducive study environment** at home, free from distractions.
- **Be patient** and understanding during stressful moments.
- Keep the lines of **communication** open for support.

Looking Beyond Success

- Just as climbers visualize reaching the summit while still being mindful of each step they take along the journey, let us **keep the end goal of graduation in mind** while **cherishing the experiences we share along the way**.
